

Texas Perinatal Services

EDUCATION : INFORMATION : SURVEYS

A Program of the Texas EMS Trauma & Acute Care Foundation

More Texas hospitals trust Texas Perinatal Services for their perinatal verification surveys than any other provider. Here's why hospitals choose us.

“Our nurse surveyor was very knowledgeable and comforting.”

– San Angelo Community Medical Center

“The Texas Perinatal Services team is very knowledgeable and was able to give us immediate feedback.”

– College Station Medical Center

“Your team did a great job with the survey and was very knowledgeable.”

– The Hospitals of Providence Children's Hospital

“The nurse surveyor was energetic, shared her experiences and was friendly.”

– Seton Medical Center

“Great feedback to aid us in a direction to take in improving our overall program. Great learning opportunity. Recognized our hard work.”

– Southwest General Hospital

“The TETAF team was extremely helpful with any questions we had concerning survey dates, transfer of data, and the survey process.”

– Knapp Medical Center
