About Our Conference

This year's conference offers the latest in women's health, obstetric and neonatal nursing by experts in the field. In addition, come see up to date technology from an array of exhibitors.

Pre-conference includes an RNC Certification course and breastfeeding management. All breakout sessions include topics for the L&D, mother/baby, nursery/neonatal, antepartum and advanced practice registered nurses.

Conference Learning Outcome Statement:

To educate nurses on current best practice, research, and information for high and low fidelity care challenges facing Women's Health, Obstetric and Neonatal nurses.

Conference Objectives:

1. Nurture an environment that supports the contributions of nurses
2. Explore strategies to drive change and promote innovation
3. Foster connections to improve outcomes
4. Promote a deeper understanding of conditions unique to each patient population

Approval statement:

Texas EMS, Trauma and Acute Care Foundation is an approved provider of continuing nursing education by the Texas Nurses Association – Approver, an accredited approver with distinction by the American Nurses Credentialing Center's Commission on Accreditation.

This education activity is being joint provided by the Texas EMS, Trauma and Acute Care Foundation and the Association of Women's Health, Obstetric and Neonatal Nurses - Texas Chapter.

Continuing Education:

Attendees may earn up to 19.0 contact hours for this conference, based on a 60-minute hour. (The main conference will award up to 11.0 contact hours and pre-conference sessions up to 8 contact hours.) Participants must be registered for the conference, attend at least 90% of a session, and complete the online evaluation to obtain continuing education contact hours.
